January 7, 2026

Chief Smith,

On behalf of MADD Central Florida, I would like to express our heartfelt gratitude for the ongoing support from the Orlando Police Department (OPD) over the years. As a non-profit organization, the funds we receive through forfeiture and/or grant disbursement enable us to provide essential services to victims affected by DUI crashes.

In addition, these funds allow us to offer educational opportunities to the youth in our community, promoting healthy decision-making and helping to prevent underage drinking and drug use. We aim to partner with local organizations and other drug prevention initiatives to encourage responsible decision-making and raise awareness about this 100% preventable issue throughout the year.

Our ultimate goal is to completely eliminate impaired driving in our community. Through education and awareness, we strive to promote safety and well-being for everyone.

MADD Central Florida is requesting a donation of \$10,000 for the 2026 fiscal year. These funds will be used to educate the community, particularly youth, and to promote safety and awareness in the City of Orlando.

In recognition of your support, we would like to offer the Orlando Police Department the designation of Diamond Sponsor at both the 2026 MADD Central Florida Gala at SeaWorld and 2026 MADD Monster Mash at SeaWorld. Additionally, we would like to recognize your ongoing contributions and provide Gold Sponsor recognition at the 2026 Move with MADD Clermont 5K, a total of \$12,000 in sponsorship recognition!

Thank you once again for your financial support, as well as for all that your agency and its officers do to keep impaired drivers off the road.

Respectfully,
Kristi McElroy

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).
