Summary: On April 25, 2022, City Council approved a contract with Tetra Tech, Inc. to provide Construction, Engineering, and Inspection (CEI) Services for the Water Conserv II Water Reclamation Facilities Preliminary Treatment System Improvements project. On October 5, 2023, Amendment One was executed to provide additional materials testing. On July 15, 2024, City Council approved Amendment Two to provide nine additional months of CEI services and on May 19, 2025, City Council approved Amendment Three to provide eight additional months of CEI services.

The Public Works Department and Procurement and Contracts Division are now requesting approval of Amendment Four in the amount of \$362,744.72, to provide seven additional months of Construction, Engineering, and Inspection Services and other related services for the Preliminary Treatment System Improvements project. Staff considers this fee proposal reasonable and appropriate for the scope of work to be performed.

Recommended Action: Approve Amendment Four with Tetra Tech, Inc. for Construction, Engineering and Inspection Services for the Water Conserv II Water Reclamation Facilities Preliminary Treatment System Improvements Project and authorize the Chief Procurement Officer to execute the Amendment as indicated in the amount of \$362,744.72, subject to review and approval by the City Attorney's Office.
