ARTICLE III

SECURITY

Section 3.1 Security. The Series 2026A Bonds are limited obligations of the Agency secured solely by the Pledged Revenues in the manner and to the extent provided in the Bond Resolution.

The Bond Resolution provides that all Pledged Tax Increment Revenues shall be deposited immediately upon receipt into the Redevelopment Trust Fund and upon such deposit shall be subject to the pledge and lien of the Bond Resolution. The Series 2026A Bonds, Parity Obligations and any other Additional Bonds shall be secured by a parity and equal lien on the Pledged Tax Increment Revenues on deposit in the Redevelopment Trust Fund. As between the Series 2026A Bonds, Parity Obligations and any other Additional Bonds, available Pledged Tax Increment Revenues shall be allocated pro rata based upon the relative amounts required to be deposited in such Fiscal Year under the Bond Resolution for the payment of scheduled debt service on the Bonds, funding of the Composite Reserve Subaccount and Rebate Account and other amounts payable with respect thereto and amounts required to be deposited in such Fiscal Year under the instruments providing for such Parity Obligations for the payment of corresponding amounts to the extent and in the manner provided in the Bond Resolution.

The Supplemental Resolution authorizing the issuance of the Series 2026A Bonds does not establish a separate subaccount in the Reserve Account for the Series 2026A Bonds, and the Agency will not be funding a separate debt service reserve with respect to the Series 2026A Bonds.

The Series 2026A Bonds and the indebtedness represented thereby shall not constitute a charge, lien or encumbrance, either legal or equitable, on any property, assets or other funds of the Agency or the City or any part thereof, but shall constitute a lien only on the Pledged Revenues to the extent expressly provided in the Bond Resolution. None of the officials of the Agency or the City or any persons executing the Series 2026A Bonds are liable personally on the Series 2026A Bonds.

The Series 2026A Bonds and the indebtedness represented thereby shall not be deemed to constitute a general or moral indebtedness or a pledge of the faith and credit of the Agency, the City, the Downtown Development Board, Orange County, Florida (the "County"), the State of Florida or any other political subdivision thereof within the meaning of the Constitution and laws of the State. Neither the Agency, the City, the Downtown Development Board, the County, the State nor any other political subdivision thereof, shall be obligated to pay the principal of, redemption premium, if any, or the interest on the Series 2026A Bonds, except for the Agency from the Pledged Revenues. No ad valorem tax proceeds are pledged to the payment of the principal of or interest on the Series 2026A Bonds or other costs incident thereto. The Holders of the Series 2026A Bonds shall never have the right, directly or indirectly, to require or compel the exercise of the ad valorem taxing power of the City, the Downtown Development Board, the County, the State of Florida or any other

political subdivision thereof or taxation in any form on any real or personal property for the payment of the principal of, premium, if any, and interest on the Series 2026A Bonds or for the payment of any other amounts provided for hereunder or in the Bond Resolution. The Agency has no taxing power.

Section 3.2 Bond Resolution a Contract. Pursuant to Section 4 of the Master Bond Resolution, the provisions thereof, and of the Supplemental Resolution constitute a contract between the Agency and the Purchaser or any other Holder of the Series 2026A Bonds. The covenants and agreements set forth in the Bond Resolution and the Supplemental Resolution to be performed by the Agency shall be for the equal benefit, protection and security of the Registered Owners of the Series 2026A Bonds and the Series 2026A Bonds shall be of equal rank with the Agency's Series 2019A Bond, Series 2020A Bond and all other Additional Bonds or Parity Obligations outstanding from time to time under the Bond Resolution, without preference, priority or distinction over any other thereof except as expressly provided in the Bond Resolution. The Series 2026A Bonds shall constitute "Additional Bonds" issued under the Bond Resolution, and all covenants contained in the Bond Resolution shall be fully applicable to the Series 2026A Bonds.

Section 3.3 No Reserve Account. The Supplemental Resolution authorizing the issuance of the Series 2026A Bonds does not establish a separate subaccount in the Reserve Account for the Series 2026A Bonds and the Agency will not be funding a debt service reserve with respect to the Series 2026A Bonds. The Reserve Requirement with respect to the Series 2026A Bonds is zero dollars and any amounts in the separate subaccounts in the Reserve Account with respect to other Bonds or obligations outstanding under the Bond Resolution shall not be available for the payment of the Series 2026A Bonds.

for purposes of federal income taxation, except to the extent such interest shall be includable in gross income on the date hereof; or

(ii) between the Execution Date and the Closing Date, legislation shall be enacted or any action shall be taken by the United States Securities and Exchange Commission which has the effect of requiring the contemplated issuance or distribution of the Series 2026A Bonds to be registered under the Securities Act of 1933, as amended, or requiring the Bond Resolution to be qualified under the Trust Indenture Act of 1939, as amended; or
