

**Title: Amendment to Contract with Paints & Coatings, Inc. for Sanitary Sewer Lining and Manhole Rehabilitation, IFB22-0161 (PW)**

**Meeting Date:** February 9, 2026

**Section:** Business and Financial Services

**Contact:** Silvia Coste, David Billingsley

**District:** ALL

**Fiscal Impact:** Fiscal Impact Statement Attached

**Summary:** On February 13, 2024, a contract was awarded to Paints & Coatings, Inc. for Sanitary Sewer Lining and Manhole Rehabilitation in the estimated amount of \$99,999.00.

The Public Works Department and Procurement and Contracts Division are now requesting approval of an amendment to the contract to increase the estimated annual expenditure to \$2,000,000.00. Since the start of the contract, the Water Reclamation Division has been increasing its usage of the Paints & Coatings, Inc. contract. Paints & Coatings, Inc. has proven to be the Division's preferred provider for wastewater structure rehabilitation due to long-term durability, consistent performance, product reliability, and quality workmanship.

Paints & Coatings, Inc. is the sole authorized applicator of IET Polymorphic Resin that exhibits virtually no degradation over time, provides the most reliable coating method available to the Division, and ensures consistently trouble-free installations.

**Recommended Action:** Approve Amendment with Paints & Coating, Inc. and authorize the Chief Procurement Officer to execute the Amendment as indicated in the estimated annual amount of \$2,000,000.00, subject to review and approval by the City Attorney's Office.
