

Title: Lake Arnold Permeable Pavement Project NS121

Meeting Date: February 9, 2026

Section: Public Works

Contact:

District: 4

Fiscal Impact: Fiscal Impact Statement Attached

Summary: The City of Orlando is seeking a grant from the Florida Department of Environmental Protection (DEP) for the Lake Arnold Permeable Pavement Project. The project will install permeable pavement and modular precast concrete along Strathmore Drive and Dover Street to improve stormwater management, reduce nutrient pollution, and enhance water quality in Lake Arnold.

Recommended Action: Approve Lake Arnold Permeable Pavement Project Grant and authorize Mayor or Mayor Pro Tem and City Clerk to execute the same, subject to review and approval by the City Attorney's Office.
