Summary: Ordinance No. 2025-47 will provide for the creation of a small and local business enterprise preference program ("Program") to encourage and promote the participation of certified small and local businesses in contracting and procurement with the City.

The Program will apply to eligible contracts for the procurement of construction services, professional services, goods, supplies and non-professional services awarded by bid, competitive sealed proposals, invitations to negotiate and requests for qualifications. In addition, this ordinance suspends and reserves Chapter 7, Article XI, Sec. 7.1101 and Chapter 57, Articles II and III related to the Minority and Women Business Program, consistent with the May 30, 2025 suspension of that program to avoid non-compliance with Executive Order 14173.

Recommended Action: Adopt Ordinance No. 2025-47 and authorize the Mayor and City Clerk to execute on behalf of the City upon final review and approval by the City Attorney.
