**MEMORANDUM**

**TO:** Eric D. Smith  
Chief of Police

**VIA:** Chain of Command

**FROM:** Captain Rich Lane  
South Division Commander

**SUBJECT:** LETF Request – Polaris Ranger Utility Vehicle

---

The purpose of this memorandum is to respectfully request funding through the Law Enforcement Trust Fund for the purchase of a Polaris Ranger utility vehicle for the Orlando Police Department Ranch Unit.

The Ranch Unit is tasked with policing and supporting newly acquired, large, rural, and rapidly developing areas in the southern region of the City of Orlando. This area includes expansive farmland, undeveloped property, construction zones, and environmentally sensitive terrain that is not readily accessible by standard patrol vehicles. The unit routinely responds to calls for service involving livestock, trespassing, illegal dumping, suspicious activity, and other incidents occurring off paved roadways.

Currently, the Ranch Unit's operational effectiveness is limited by the lack of a dedicated off-road vehicle capable of safely navigating rough, muddy, or uneven terrain. A Polaris Ranger would significantly enhance the unit's ability to patrol remote areas, respond quickly to incidents, and conduct proactive enforcement in locations that are otherwise difficult to access. This capability is especially critical when addressing crimes related to illegal dumping, poaching, environmental violations, and property crimes in secluded areas.

Additionally, the Ranch Unit works closely with local landowners, agricultural stakeholders, and partner agencies such as the Florida Fish and Wildlife Conservation Commission. The acquisition of a Polaris Ranger would strengthen these partnerships by improving response times, increasing visibility in rural zones, and supporting joint operations and training exercises.

The requested vehicle will also improve officer safety by providing a reliable and purpose-built platform designed for off-road conditions, reducing the risk of damage to standard patrol vehicles and minimizing the likelihood of officers becoming stranded in remote locations.

Funding this request through the Law Enforcement Trust Fund is appropriate, as the Polaris Ranger will directly support law enforcement efforts, enhance community safety, and contribute to crime prevention in underserved and hard-to-reach areas of the city. Total purchase for the Polaris and trailer is \$41676.00
