2. Contingency for unforeseen circumstances may be added to the total Work Assignment fee in an amount not to exceed 10% of such fee. Any use of contingency funds is subject to the written approval of the County, and any unused contingency shall not be paid out as a part of any final payment.

- C. The County's performance and obligation to pay under this Contract is contingent upon an appropriation of lawfully available funds by the Board of County Commissioners. The County shall promptly notify the Contractor if the necessary appropriation is not made.

IV. Contract Documents

The County shall reimburse the Contractor for the actual cost of the Performance and Payment Bond whose cost shall be delineated on the Work Assignment form as a separate line item or included in another line item as noted. VI. Insurance

Contractor shall procure and maintain insurance as specified in Exhibit B, Insurance Requirements, attached hereto and made a part of this Contract.

VII. Contractor's Affidavit

When all Work required by the Work Assignment and contemplated by the Contract as to each Work Assignment, has been completed, inspected, and approved by the County or its duly authorized agent, the Contractor shall furnish to the County the Contractor's affidavit in a form approved by the County. Release(s) of Lien may also be required by the County at its option.

Final payment shall be made as provided in the General Condition, 13.12, Final Payment.

B. Monthly payment applications shall be submitted each month on the anniversary date of the Notice to Proceed, or a date agreed to by both parties.

C. Monthly payment applications for less than \$200.00 are not acceptable and will not be processed, except for the final payment application.

IX. Invoicing

A. The County shall pay the Contractor through payment issued by the Clerk of the Circuit Court in accordance with the Local Government Prompt Payment Act, §218.70, et seq. F.S., upon receipt of the Contractor's payment application and written approval of same by the County's

Administrative Agent indicating that services have been rendered in conformity with the Contract Documents. All payment applications must be submitted in a form satisfactory to the Clerk of Court, who initiates disbursements.

- B. The Contractor shall submit invoices for payment to the address indicated on the purchase order. Invoices must contain the purchase order number, required identification information, and reflect the Contract prices, terms, and conditions. Invoices containing deviations or omissions will be returned to the Contractor for correction and resubmission. Contractor shall not perform any service or provide products until it has been issued a purchase order number.

X. Time for Performance

- A. Time is of the essence in the performance of all Work under this Contract and Work Assignments. The Contractor specifically agrees that the time for completion of a Work Assignment shall begin on the date specified on the County-issued Notice to Proceed.
- B. Contractor also agrees no work will begin prior to such date, and that all work to be performed under the provisions of the Work Assignment shall be completed to Substantial Completion within the time frame specified in each individual Work Assignment, plus an additional 30 calendar days after receipt of the deficiency list for Final Acceptance, subject only to delays caused by Force Majeure or approved Contract Modifications.

XI. Liability of the Contractor

- A. Pursuant to §725.06(2), F.S., the Contractor shall indemnify and hold harmless Sarasota County Government from liabilities, damages, losses, and costs, including but not limited to reasonable attorney's fees to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Contractor and persons employed or utilized by the Contractor in the performance of the Contract.
- B. Pursuant to §725.06(2), F.S., the Contractor shall indemnify and hold harmless the Florida Department of Transportation (FDOT) from liabilities, damages, losses, and costs, including but not limited to reasonable attorney's fees to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Contractor and persons employed or utilized by the Contractor in the performance of the Contract. This provision shall apply only to work performed by the Contractor upon property in which FDOT has a legal interest.
- C. This Section of the Contract will survive the completion or termination of the Contract.

XII. Liquidated Damages

The parties to this Contract agree that time is of the essence in the work provided for herein and that a precise determination of actual damages which would be incurred by the County for delay in the completion of the work provided for herein, aside from the additional cost of inspection and supervision, would be difficult to ascertain. Accordingly, the parties to the Contract agree that the liquidated damages for those items of damage not otherwise provided for by this Contract, for each and every day that the time consumed in completing the work provided for in the Work Assignment documents exceeds the time(s) allowed therefore, shall be the amount(s) per day as stipulated in the Work Assignment, including Saturdays, Sundays, and legal holidays. The parties specifically agree that the liquidated damages provided for herein do not constitute a penalty. Furthermore, since the additional cost of inspection and supervision arising from a delay is not difficult to ascertain, it is agreed that the Contractor shall pay, in addition to the liquidated damages provided for herein, all expenses for inspection and supervision occasioned by the failure of the Contractor to complete the work within the time(s) fixed for completion herein as specified in the Work Assignment(s). The amount(s) of liquidated damages together with the additional costs for inspection and supervision occasioned by the Contractor's delay will be deducted and retained out of the monies payable to the Contractor. If not so deducted, the Contractor and sureties for the Contractor shall be liable, therefore. The amount of liquidated damages to be assessed for each calendar day that Substantial Completion for each individual Work Assignment is delayed beyond the required date of Substantial Completion shall be negotiated at the time of the Work Assignment between the Administrative Agent and the Contractor. The amount of liquidated damages to be assessed for each calendar day that Final Acceptance for each individual Work Assignment is delayed beyond the required date of Final Acceptance shall be 25% of the Substantial Completion amount.
